The purpose of a cultural immersion experience is to allow you to learn and explore issues of diversity in the context of a culturally-different experience and in a setting in which you are unfamiliar. Please respond to the following reflection questions:

1) Briefly describe the event you attended.

2) Explain why you chose to attend this event and how it relates to your personal learning and development.

3) Explain your key takeaways from the event/program.

4) Would you recommend this event/program to a friend? Why or why not?
